

2023 – A day of high achievements and success for QEH as we return to pre-covid standards.

As anticipated and widely publicised, this year has seen a return to the pre-covid levels of marking and grading by the exam boards. Students faced normal examination conditions for the first time in three years. Marking of papers and assessment were back in line with pre-covid guidance.

We are delighted to be here to celebrate with our students this morning as they receive their results and to support them as they embark on their future pathways whether that be at university, apprenticeships or the world of work. We are very pleased to say that QEH continues to build on its trend for outstanding Post 16 achievement with strong outcomes that are in line with our excellent 2019 pre-covid results.

Reflecting on our moto **Ymlaen Gyda'n Gilydd/ Moving Forward Together**, our staff have continued to work exceptionally hard to support our learners in coming to terms with a full exams programme. On this AS and A Level Results Day we would also like to take this opportunity to thank our whole community for their continued support. As always, our focus continues to be one of developing individual potential, and in this context we have exceeded our outcomes from 2019 in two out of three categories and matched the third:

- **29% of grades awarded were A*-A – in line with 2019 outcomes**
- **77% of grades awarded were A*-C – an increase on 2019**
- **97% of grades awarded were A*-E – up on 2019**

Our top performing pupils once again achieved spectacular outcomes achieving 27 A* grades and 16 A grades between them. There were some amazing successes across the board and some outstanding individual achievements including:

- 1. Charlie Barnwell - A*,A*,A*,A***
- 2. Lila Davies- A*,A*,A*,A***
- 3. Noah Millross- A*,A*,A***
- 4. Ziad Mustafa- A*,A*,A***
- 5. Oliver North Mullis- A*,A*,A,A**
- 6. Chloe Wilds- A*,A*,A,A**
- 7. Nia Bullen- A*,A,A**
- 8. Bianca Illinca- A*,A*,A, B**

- 11. Jack Hicks- A*,A,A, B**

92% of our learners secured a place in University/Higher Education, with 73% securing their first choice university places. Well done!

AS outcomes were very strong and significantly up on the outcomes pre-covid:

- 24.3% A grades compared to 14% in 2019**
- 63.4% A-C compared to 53% pre-covid**
- 91.4% A-E compared to 83% in 2019.**
