Message from the Chair of Governors

Dear parents and carers,

I am writing on behalf of the Governing Body to add our thanks and reassurance. We would like to place on record our sincere thanks to the headteacher for his significant contribution to the school. His leadership, commitment and care for the pupils, staff and wider school community have been greatly appreciated by governors. We are grateful for the stability and professionalism he continues to provide.

The Governing Body is actively working on the next steps for school leadership. We are taking the time needed to ensure that the right arrangements are put in place for the future, with the best interests of the children firmly at the centre of our decisions.

We expect to be in a position to announce the school's leadership arrangements after the next half term. We will, of course, keep parents and carers informed once decisions are confirmed.

Thank you for your continued support of the school.

Yours sincerely,

Jeremy Griffith

Chair of Governors,
